

Officials' Guidance

NDP Qualifier 2 – Cambridge

14 January 2018

Dear Officials,

Thank you for your generous support in volunteering to officiate at this event. It would not be possible without your commitment and hard work, and I am grateful for the time you have given.

Please find below the officials' timetable for this event. Where a preference has been provided, every effort has been made to meet your requests, however some roles may have been varied in order to provide complete panels. The day is split into a morning and afternoon session, and reserve judges should be available for both sessions. If a judge is unable to attend from your club, your club must provide a suitable equivalent to fill that slot.

Please carefully read the following notes in addition to the timetable:

Officials' Meeting

The officials' meeting shall take place at **8.45am** in the meeting room located in the squash centre to the rear of the sports hall. Please attend this meeting on time as failure to do so will result in a fine for your club. All non-qualified officials shall receive technical training on the field of play.

Mobile Phones and Electronic Devices

In line with British Gymnastics event protocol, all officials are kindly requested to refrain from using any personal electronic devices (e.g. mobile phones, tablets, laptops, or other internet enabled devices) on the judging panels or competition floor throughout the event. This will ensure that our officials are, and present to our audience, as professional and impartial as possible.

Score Entry

Scores shall be entered using the SUTLScore electronic system at this event. Officials simply need to enter their score (e.g. '8.5') on the touch screen display in front of them, then select 'Submit Score'.

Food and Drink

Food and drink will be provided throughout the day in the officials' meeting room, and all officials shall receive a lunch voucher. Due to the electronic equipment present on the judging panels, and per venue policy, all food and drink is strictly prohibited on the judging panels and competition floor (with the exception of screw-top bottled water). Please kindly enjoy refreshments in the meeting room during breaks between flights.

Dress

The British Gymnastics officials' dress code applies to all officials, though marshals may wear a tracksuit or competition attire.

Thank you once again, please don't hesitate to contact me with any questions.
