

Officials' Guidance

NDP Qualifier 2 – Colchester

27 January 2019

Dear Officials,

Thank you for your generous support in volunteering to officiate at this event. It would not be possible without your commitment and hard work, and I am grateful for the time you have given.

Please find below the officials' timetable for this event. The day is split into a morning and afternoon session for TRI. If a judge is unable to attend from your club, your club must provide a suitable equivalent to fill that slot.

Please carefully read the following notes in addition to the timetable:

Officials' Meeting

The officials' meeting shall take place at **8.30am** by the trampoline panels. Please attend this meeting on time; failure to do so will result in a fine of £25 for your club, per late/missing official. All non-qualified officials shall receive technical training on the field of play.

Mobile Phones and Electronic Devices

In line with British Gymnastics event protocol, all officials are kindly requested to refrain from using any personal electronic devices (e.g. mobile phones, tablets, laptops, or other internet enabled devices) on the judging panels or competition floor throughout the event. This will ensure that our officials are, and present to our audience as, professional and impartial.

Dress

The British Gymnastics officials' dress code applies to all officials, though marshals may wear a tracksuit or competition attire. A fine of £25 shall be applied to any clubs providing officials that do not attend in the correct attire.

Thank you once again, please don't hesitate to contact me with any questions.
