

# Officials' Guidance

## NDP Semi-Final – Hatfield

17 March 2019

Dear Officials,

Thank you for your generous support in volunteering to officiate at this event. It would not be possible without your time and commitment.

Please find below the officials' timetable for this event. If a judge is unable to attend from your club, your club must provide a suitable equivalent to fill that slot.

Please carefully read the following notes in addition to the timetable:

### **Officials' Meeting**

The officials' meeting shall take place at **8.00am** for DMT and **8.30am** for TRA in the Academy Room. Please attend this meeting on time; failure to do so will result in a fine of £25 for your club, per late/missing official. All non-qualified officials shall receive technical training on the field of play.

### **Mobile Phones and Electronic Devices**

In line with British Gymnastics event protocol, all officials are kindly requested to refrain from using any personal electronic devices (e.g. mobile phones, tablets, laptops, or other internet enabled devices) on the judging panels or competition floor throughout the event. This will ensure that our officials present as professional and impartial.

### **Dress**

The British Gymnastics officials' dress code applies to all officials, though marshals may wear a tracksuit or competition attire. A fine of £25 shall be applied to any clubs providing officials that do not attend in the correct attire.

Thank you once again, please don't hesitate to contact me with any questions.
